Resident Evaluation Of Clinic Faculty V.1

Evaluation of Attending Physician

Attending Physician: [First Name] [Last Name]

Evaluator: [First Name] [Last Name]

Evaluation Period: [99/99/9999] to [99/99/9999]

Core Competencies

Medical Knowledge

Has current knowledge of common problems encountered in the clinic setting.	
---	--

Suggests complete but pertinent differential diagnosis of common signs and symptoms.	
--	--

Patient Care

Willing to see patients to confirm history and physical examination findings, and to assist with management and resolution of conflicts.	
--	--

Placed appropriate emphasis on preventive care and health maintenance.	
--	--

Practice-Based Learning and Improvement

Observed my clinical skills in the examination room.	
--	--

Used cases as springboard to teaching and general discussion of topics.	
---	--

Professionalism

Contributed to maintaining a professional atmosphere in the clinic at all times; showed concern for all patients; refrained from ridicule of patients and health care professionals.	
--	--

Is a good role model for primary care Internal Medicine.	
--	--

System-Based Practices

Prompt in arriving in clinics; stayed until all patients were completed.	
--	--

Suggested ways to expedite management of individual patients.	
---	--
