House Staff Orientation

- LSBME Orientation
 - Question
 - 1. Do you have a regular medical license (not a training permit or GETP)?
 - 2. If so, did you attend the required Board Orientation sponsored by LSBME?
 - For those who answer “yes” to the first and no to the second, you are strongly advised to register online immediately for the November 7, 2008 orientation (<http://lsbme.la.gov/boardorientation.html>)
 - This is a requirement—you must complete orientation during your first year or you can not promote!!
 - See Handout for more information
