

24/7 Pager – After Hours

Purpose:

To provide a specific pager to be used 24/7 (24 hours a day – seven days a week) so that any hospital employee can reach a Radiology supervisor or senior technologist for matters pertaining specifically to Diagnostic Imaging.

Policy:

1. When it is necessary for any LSUHSC-S staff, to contact a Radiology supervisor or a senior technologist, please use pager #0247.
2. This pager will be “handed off” at the end of each and every shift. If a supervisor is not scheduled to work, the senior technologist will carry this specific pager.
3. If the supervisor or senior technologist leaves the premises without “handing off” the pager, it will be necessary for that specific technologist to return to the hospital and bring the pager back into the hospital.
4. **THIS PAGER MUST BE WORN AT ALL TIMES. PLEASE DO NOT LEAVE THE PAGER LYING AROUND IN THE DIAGNOSTIC IMAGING WORK AREA.**
