LSBME Orientation

Question

1. Do you have a regular medical license (not a training permit or GETP)?

2. If so, did you attend the required Board Orientation sponsored by LSBME?

For those who answer “yes” to the first and no to the second, you are strongly advised to register online immediately for the November 7, 2008 orientation (http://lsbme.la.gov/boardorientation.html)

This is a requirement—you must complete orientation during your first year or you can not promote!!
